EXPERIENCE SPANNING GENERATIONS Clements & Sweet, LLP specializes in workers' compensation and employment litigation. The firm's attorneys have been representing workers for more than 30 years. They handle cases in state, federal and administrative courts throughout Georgia. The firm is proud to announce that L. Thomas Clements and John F. Sweet have been chosen by their peers to appear in *Georgia Super Lawyers*®.

"Our attorneys spend time getting to know their clients in order to fully understand each person's situation," says Clements. "Clients have an attorney's representation at every meeting, mediation and deposition. Our specialty is complete representation from trial through appeal."

RELENTLESS ADVOCACY "Experience and results are what you can expect from our trial lawyers," explains Clements. "Our mission is to serve and protect the rights of workers to the full extent the law permits. We work tirelessly protecting the rights of individuals through honest, dedicated and old-fashioned hard work."

TEAM-ORIENTED, CLIENT-FOCUSED "We all came together because of our passion for our clients and our desire to be in the courtroom," he says. "The employees at Clements & Sweet are

committed to professional care and consideration of every client. Our office works as a team; together we are able to ensure each client's case receives the attention it deserves."

APPELLATE PRACTICE The firm's lawyers represent workers before the Georgia Supreme Court, the Georgia Court of Appeals and the United States Supreme Court. "We are proud that attorneys from our firm have played an active role in establishing new precedents that protect the rights of workers," says Sweet.

COMMUNITY ACTIVISM AND ENVIRONMENTAL STEWARDSHIP The firm's hard work and commitment also extends into the community. "Our lawyers and staff serve and volunteer on many professional and community organizations and boards," explains Sweet. "We also hold a deep commitment to improving the world we live in by contributing to a healthy environment. We are the first firm in Georgia to be powered by solar energy."
